

SWIM ASSESSMENT FORM 2024

Notes

- The completed and signed form can be sent to the JLDSC by scanned copy emailed to jerseyseaswims@gmail.com
- This form must be received by the JLDSC no later than 14 days prior to the start of your swim tide for your attempt and no later than 31st July (whichever is earlier), failing which your application will be invalid, unless confirmed in writing by the JLDSC in its discretion. This form is not for use for any other purpose.
- It is the responsibility of all swimmers to consider and assess their swimming aptitude, ability and fitness in the context of an attempt on any swim in the Channel Islands as part of a relay team or as a solo crossing (as applicable) under the auspices of the JLDSC, as well as researching and assessing the risks presented by the range of possible conditions which may be faced as part of that attempt.
- This Assessment Swim Certificate is to help provide the JLDSC and your pilot with evidence that each applicant has carried out that self-assessment.
- The form must be used to provide details and evidence (e.g. by attaching relevant documentary proof) that you have satisfactorily completed a required swim, as follows: For a solo attempt - a 6-hour swim in water 16°C or less (or proof of completion in a recognised event for a period considered by the JLDSC to be an acceptable alternative) wearing no clothing or aids to enhance heat-retention, buoyancy or speed and conducted at any time up to 18 months before the start of the tidal period during which you have booked your swim.
- For a relay attempt - a swim of least 1.5 hours swim then leave the water for a minimum of 1 hour and a maximum of 1.5 hours – then return to the water and swim for 1 more hour in water 16°C or less (or proof of completion in a recognised event for a period considered by the JLDSC to be an acceptable alternative) wearing no clothing or aids to enhance heat-retention, buoyancy or speed and conducted at any time up to 18 months before the start of the tidal period during which you have booked your swim.
- These swims are short compared to your JLDSC swim attempt and should not be treated as training swims. Your training should include regular swims of longer durations.
- Relay team leaders: It is your responsibility to assess your and your team's ability and make everyone aware that they are responsible for their own actions and the care of the other team members.
- You acknowledge and accept that the completion of a required 6-hour swim (for a solo) or required relay assessment swim as described above in no way implies any representation by the JLDSC that you have completed sufficient training or that it's appropriate for you to make such an attempt.
